

Lewes Public Library Board of Commissioners

Executive Session

Tuesday September 8, 2015

Attending the meeting were Board Members Ned Butera, Beckie Healey, Hugh Leahy, and Chanta Wilkinson; also attending were LPL Friends President Candace Vessella; and LPL Director Ed Goyda.

Meeting called to order by Board Chairwoman Beckie Healey at 10:40 a.m.

Chair Beckie Healey informed the board that attorney Rob Gibbs stated that the lot of land in the Hawkseye community gifted by the Lingo family has had several title searches. However, it is the discretion of the board to ultimately decide if we want to do another title search on the property.

The board decided it is unnecessary to do another title search on the Hawkseye property.

Treasurer Hugh Leahy stated that John Lingo has agreed to list and sell the property. The board agreed to immediately contact John to place the lot on the market. Beckie will arrange the meeting and pricing will be discussed as well.

Meeting was adjourned at 10:55 am.

Respectfully submitted

Chanta Wilkinson
