You can request any regularly circulating items from any one of our member libraries and have them delivered to the library of your choice.

All you have to do is place a **Hold.**
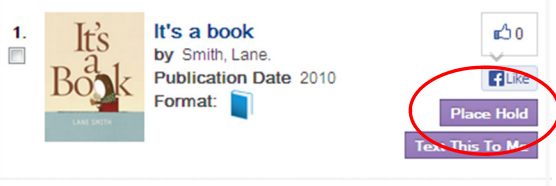

Placing a Hold in 4 Steps

Go to lib.de.us and connect to the catalog by clicking on Delaware Library Catalog.

Log into the system using your Library Card Number and PIN. If you don't know your PIN, ask at your local Library.
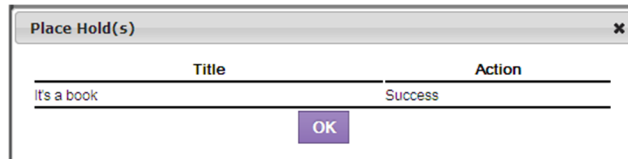

Find a title that you would like to have held for you, and click the purple **Place Hold** button to the right.

Confirm the library where you would like to pick up the item, and press **Place Hold(s)**.

The system will confirm that the hold was successfully placed.

To see the titles that you have holds on, go to **My Account** at the top of the screen, then **Holds**. Titles that are being held at the library will be indicated with a green exclamation point.
From this screen, you can also cancel or suspend your holds or change the library to which they'll be delivered.
