## AAUW National Organization

Since its first meeting in 1881, AAUW has been a catalyst for change. Our vision is simple—we bring people together united behind the common goal of breaking through educational and economic barriers for women and girls. By joining our 165,000 members and supporters, 1,000 branches, and 800 college and university partners, you become part of AAUW's powerful voice.

If you hold an associate or equivalent, bachelor, or higher degree from a regionally accredited college or university, you can join AAUW as an individual (member-at-large) or as a member of one of AAUW's 1,000 branches. Branch members belong to the national organization.

Membership is open to anyone holding an associate's (or equivalent, e.g. RN), bachelor's, or higher degree from a regionally accredited college or university.
